

Russell Roof Tiles Charity Masters Invitational 2016

15.09.2016
Branston Golf Club, Staffordshire

Russell Roof Tiles would like to invite you to participate in our first ever charity golf event on Thursday 15th September 2016. Following on from our successful charity fundraising and 50th anniversary celebrations last year, we will be hosting a prestigious invitational golf tournament in which we have specially selected a plethora of people who have made significant contributions to our business success in the last 25 to 50 years. With this golfing extravaganza we aim to raise a minimum of £7,500 for our nominated 2016 charities; Shropshire & Staffordshire and Dumfries and Galloway Blood Bikes.

Shropshire and Staffordshire Blood Bikes and Dumfries & Galloway Blood Bikes are emergency volunteer services which provide urgent emergency transportation of life saving medical supplies to the NHS Foundations across their respective regions. They are non-profit making organisations and through the dedication of their volunteer staff they hope to be operational every night of the year, helping save lives. Both organisations transport a variety of other urgent medical items in addition to blood products, including breast milk which is donated by women and used to feed premature babies. This is achieved using temperature controlled boxes attached to the bikes. Furthermore, the charity is open to transporting other urgent items such as patient notes.
