

Russell Roof Tiles Covid-19 Procedures Overview

[**www.russellrooftiles.com**](http://www.russellrooftiles.com)

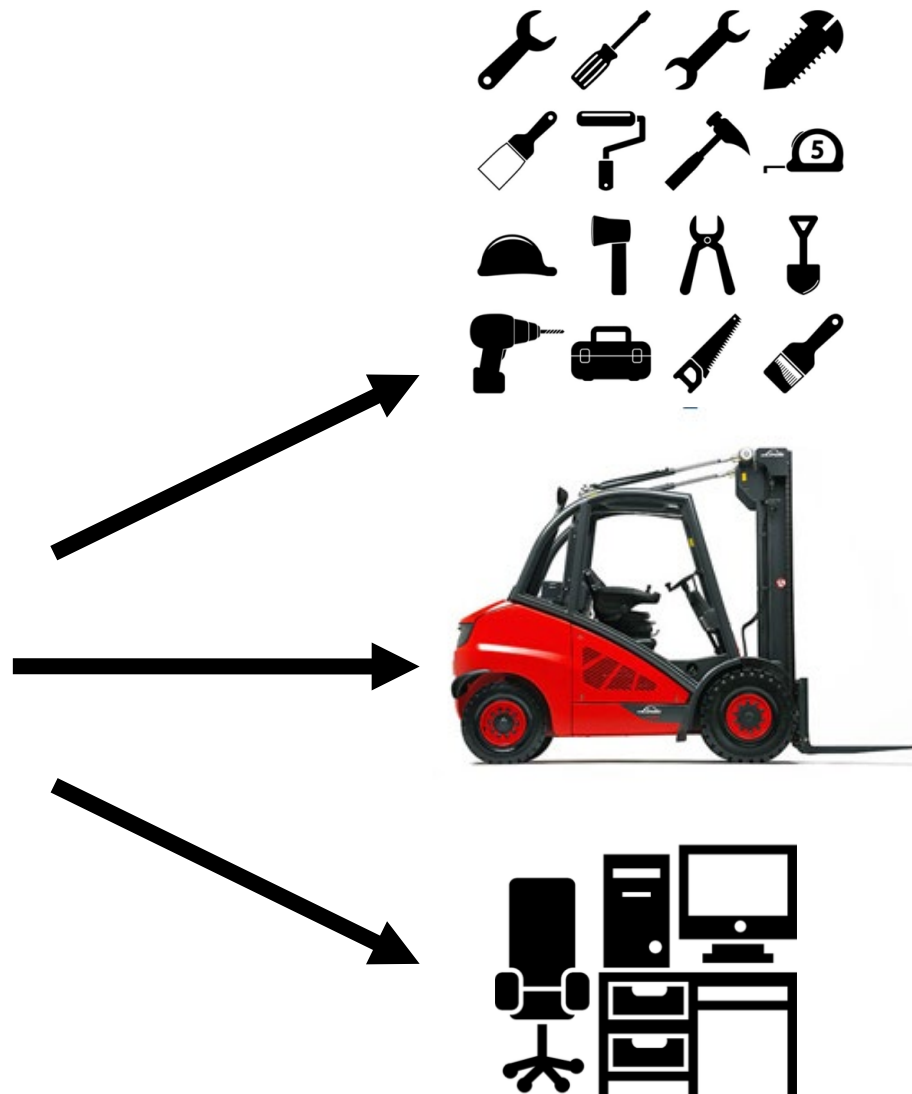

Maintaining Safe Distance

- Staggered shift start times reduce the number of staff in one area at any time
- Clearly marked areas and walkways help employees to easily follow safe distancing practices

Work Station Cleaning

- Cleaning products are provided in all work areas to allow employees to safely clean before and after their shifts

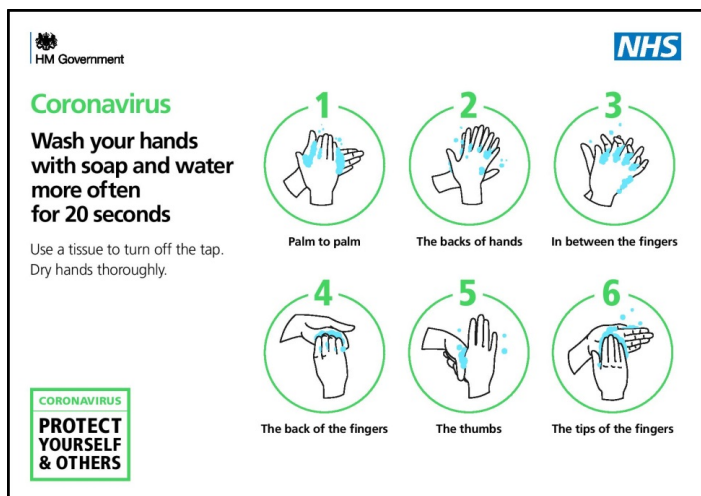

General Hygiene and PPE

Face Masks and Visors are available on request

Face Masks are always worn wherever social distancing is not possible

Workplace safety and effective hygiene practices are always prioritised

- Russell Roof Tiles has used guidance from UK Government, Public Health England, and HSE to create a coronavirus risk assessment
- This pack also provides instructions on how to follow the guidance from the UK government within the workplace whilst keeping yourself and others safe
