

**Bute3 RussVent**

Front

Rear  
(with adaptor connected)

RussVent Adaptor

110mm Flexi Pipe  
(supplied separately)

The Bute3 RussVent securely fits with the surrounding tiles and achieves a 10,000mm<sup>2</sup> free air capacity.

The vent comprises the outer vent unit, a base with rain discharge points, and an adaptor which can connect to a 110mm flexi pipe. The elements effortlessly interlock, creating a durable, high-quality unit.

The dimensions and minimum pitch of the Bute3 RussVent match that of the Bute3<sup>®</sup> tile.

	Bute3 RussVent
Size	270mm x 495mm
Minimum Pitch	22.5°
Ventilation Area	10,000mm <sup>2</sup>
